NEFMC Habitat/MPA/Ecosystems Ctte Meeting

Mansfield, MA - November 14, 2005

This presentation was given at the third meeting of the Council's Ecosystems Ctte by Council staff. The purpose was to provide a brief overview of the recently concluded Pilot Project Stakeholder Workshops. This brief presentation was followed by extensive discussions amongst the Ctte and audience. See the complete Ctte Meeting Summary, available under the Council's Habitat link, for details.
