

Draft Motion Text

Move that the Committee recommend the Council adopt the Northeast Region SBRM Omnibus Amendment as presented, with preferred alternatives as from the original SBRM Amendment (June 2006), with the following exceptions:

- Element 2, Analytical Techniques and Allocation of Observers:
 - Alternative 2.3 option C – Importance filters without grey cell filter
- Element 5, Framework Adjustment Provisions:
 - Alternative 5.4 – Frameworks and annual adjustments, excluding fishing modes;
- Element 6, Prioritization Process:
 - Funding Trigger Alternative 6.1.2 – Identify specific SBRM funding sources
 - Reallocation Alternative 6.2.3 – Penultimate cell approach
 - Less Than Minimum Pilot Coverage Alternative 6.3.3 – Remove fleets with high MPC to days absent ratio
