

## New England Fishery Management Council

50 WATER STREET | NEWBURYPORT, MASSACHUSETTS 01950 | PHONE 978 465 0492 | FAX 978 465 3116  
John Pappalardo, *Chairman* | Paul J. Howard, *Executive Director*

### MEMORANDUM

**Date:** 11/1/2006  
**To:** Pelagics Committee  
**From:** Chad Demarest, Whiting PDT Chair

**SUBJECT:** Limited access qualification criteria - preliminary data

---

Traditional limited access criteria have focused on minimum landing (poundage) criteria and appropriate date ranges. To this end, the PDT has assembled preliminary data that may be useful in evaluating the range of options for consideration in the upcoming management action. There may well be other criteria that the Council would like to explore, but these address some of the issues and data needs that arose in scoping.

Of particular interest are the discrepancies between VTR and Dealer data. All of these data were run for both data sets, so as to highlight the magnitude of the difference. As these data are preliminary, draft, etc, a great deal of work remains to ensure their accuracy and completeness. Please do not take these numbers as gospel—they are intended to inform the discussion, but not to serve as the sole basis for decision making at this early date. These data were run for 1994 – 2005, although 1994 is not considered a viable year for VTR data.

The following data tables are included here:

- (1) Landings (in pounds, Dealer and VTR)
  - a. per year, tonnage class and landing port
  - b. per trip, tonnage class and landing port
- (2) Number of trips taken annually by landing port
- (3) Transfers at Sea
- (4) New Entrants (vsls w/ permits landing at least 2,500 lbs of whiting)
- (5) Hypothetical qualifiers:
  - Number of vessels per year (94 – 05) landing at least:
    1. 1,000,000 pounds per year
    2. 750,000 pounds per
    3. 500,000 pounds per
    4. 400,000 pounds per

5. 300,000 pounds per
6. 200,000 pounds per
7. 100,000 pounds per
8. 50,000 pounds per
9. 25,000 pounds per
10. 10,000 pounds per
11. 5,000 pounds per
12. 1,000 pounds per
13. 1 pound per

Number of vessels w/ avg. trips per year of at least:

1. 30,000 lbs per trip
2. 25,000 lbs per
3. 20,000 lbs per
4. 15,000 lbs per
5. 10,000 lbs per
6. 7,500 lbs per
7. 5,000 lbs per
8. 2,500 lbs per
9. 1,000 lbs per
10. 1 pound per
