RE: Meeting – January 9, 2013

Please take the time to familiarize yourself with the section of Amendment 6 dealing with adjustments to DAS, section 1.0, pages 1-16 prior to January 9. This document is available on the NEFMC web page, and you can obtain a paper copy by contacting Joan O’Leary at NEFMC office 978-465-0492.

If you have additional suggestions for ways to improve the DAS system, please put those in writing and send to Phil Haring at the NEFMC pharing@nefmc.org and to me maggieraymond@comcast.net. The sooner we have your suggestions the better we’ll be able to address them at the January 9 meeting.

I look forward to a constructive meeting.
