

#5

**New England Fishery Management Council
Recreational Advisory Panel**

Motions

November 1, 2011

1. Motion: To recommend to the Committee/Council that they use an increase in size limit to get the appropriate reduction needed for 2012 (Mr. Bellavance/Mr. DePersia)
2. Motion as perfected: To recommend to the Committee/Council that they use an increase in size limit, not to exceed 2 inches, to get the appropriate reduction needed for 2012 (Mr. Bellavance/Mr. DePersia)
3. Motion to amend: To recommend to the Committee/Council that they use an increase in size limit, not to exceed 2 inches, to get the appropriate reduction needed for 2012. Any additional necessary reduction would be achieved through the use of a bag limit. (Mr. Sterritt/Mr. Paquette)

Motion to amend fails on a show of hands (2-5-1)

4. Motion as perfected: To recommend to the Committee/Council that they use an increase in size limit, not to exceed 2 inches, to get the appropriate reduction needed for 2012 (Mr. Bellavance/Mr. DePersia)

Motion carries on a show of hands (4-3-1)
